## **Mission Statement:**

**"The Aging and Disability Resource Center of Southwest Wisconsin is dedicated to working with adults and families who are affected by aging, disability, mental health or substance abuse issues, by providing information and access to services to enhance their quality of life".**

Dear Consumer,

Thank you for contacting the Aging & Disability Resource Center of Southwest Wisconsin-Grant County! We are happy to be able to assist and provide you with resources and information for yourself and/or your loved ones.

If you find you need more information about a service than the phone number and website, you may contact the Aging & Disability Resource Center (ADRC) at 608-723-6113 or 1-800-514-0066.

If you notice a service or an organization that is not listed, please call the Aging & Disability Resource Center to request inclusion in the next publication.

**\*\*Please Note: This directory may not include all agencies serving Grant County residents and is not a recommendation for any provider. We do not professionally promote or endorse any of the following resources. Please check references of a chosen agency to make personal decisions regarding the resources that are best for you.**

The Aging and Disability Resource Center operates its programs and services without regard to race, color, and national origin in accordance with Title VI of the Civil Rights Act. Any person who believes she or he has been aggrieved by any unlawful discriminatory practice under Title VI may file a complaint with the Aging & Disability Resource Center.

### **SAVE THE DATE: ELDERFEST 2018**

**Friday, October 26<sup>th</sup>**

### **Information & Assistance Specialists**

Information & Assistance Specialists provide up-to-date information on many services and resources, including, but not limited to: home health agencies, transportation services, public benefits, housing options, personal care agencies, senior dining sites, home delivered meal programs, support groups, prevention classes, managed care, self-directed support waivers and much, much more!

- **Options Counseling** provides information to assist people to make informed choices about long term care options. When meeting with individuals and their families, an Information & Assistance Specialist will review the individual's personal history, preferred lifestyle and goals for the future; and will engage in a conversation about the full range of long-term care options

available to the individual to maximize their independence and self-reliance.

- **Special Needs Youth Transition** If you are a young adult transitioning from the school system and/or children's programs to adult programs, the Aging & Disability Resource Center is here to help you and your family make that transition as smooth as possible. Many changes in disability services occur when a student is between the age of 18 and 21. Information & Assistance Specialists at the Aging & Disability Resource Center can assist in answering questions you may have. We also have Youth in Transition booklets available at no cost.
- **Long Term Care Programs:** The ADRC is responsible for helping people access publicly funded long term care programs and assisting them in understanding all available options. We do this by determining functional eligibility, facilitating the financial eligibility determination process and assisting with the enrollment process.
- **Nursing Home Relocation:** Some nursing home residents may qualify for care in the community rather than in the nursing home. Information & Assistance Specialists can explain these options to interested individuals.

### **Benefit Specialists**

#### **Elder Benefit Specialist:**

Specialize's in assisting persons age 60 and older to obtain access to needed benefits and programs.

#### **Disability Benefit Specialist:**

Specialize's in assisting persons aged 17 and 9 months -59 to obtain access to needed benefits and programs.

Benefit Specialists can help in accessing both private and public programs and benefits, and can provide information about consumer rights. They can provide information and advocacy on a wide range of issues and assist with the application and/or appeal process for public and private benefits like Medicare, Social Security, Medicaid, Disability, Senior Care, Supplemental Security Income and Medigap Insurance. Many of the benefit issues that people over the age of 60 and adults with disabilities face are very complex. Benefit Specialists assess the situation and discuss options so that persons can make an informed decision.

## **Prevention & Wellness Workshops**

**Living Well with Chronic Conditions Program** Six week workshop offers a self-management program to address practical ways to deal with pain and fatigue. You will discover better nutrition and exercise choices, learn about new treatment choices and practice new communication styles and more.

**Stepping On** Seven week workshop that offers fall prevention techniques and strength building exercises. Professional speakers address proper shoe fitting, medication management and strengthening exercises.

**Healthy Living with Diabetes Program** Management of diabetes lies almost entirely in the hands of those who live with the condition. It is vital that individuals with diabetes have the resources they need for effective self-management. This program targets individuals in the community and facilities to help achieve this.

**Powerful Tools For You: Taking Care of the Caregiver** Six week course to help family caregivers build communication skills, make tough care decisions, set goals, lower caregiving related stress and learn about available resources.

**Arthritis Toolkits** The toolkit offers a unique approach to managing arthritis. The toolkit contains a self-test which identifies how to use the book. It includes an exercise CD and relaxation CD, written information and the Arthritis Help Book. The toolkits are available for 6-8 weeks.

### **Grant County Nutrition Program**

Are you familiar with our Senior Dining Centers? Check one out today! In addition to the nutritious meal and variety in menu, the nutrition program offers opportunities to enjoy a meal, join a fun activity, and socialize with friends! Transportation is available to several dining sites on designated routes and days. Other options available for eligible individuals are a home delivered meal or frozen meals.

### **National Family Caregiver Support Program**

The Family Caregiver Support Program provides:

- o Information to caregivers about available programs and services
- o Assistance in gaining access to services
- o Individual counseling, support groups and trainings to assist caregivers
- o Temporary and limited respite for caregivers
- o Supplemental services (on a limited basis) to complement the care provided

Eligible Caregivers must be:

- o An adult family member or another individual who is an informal or unpaid provider of in-home community care to someone over 60 years of age or to an individual with Alzheimer's disease or a related disorder with neurological and organic brain dysfunction
- o Grandparent or relative caregivers providing care for adult children with a disability, who are between 19 and 59 years of age. These caregivers must be age 55 years and older and cannot be the child's parent.

## Transportation Services

Need a ride? The ADRC may be able to assist you! The ADRC provides transportation for adults with disabilities and age 60 and over, unless specifically indicated.

### **IN-HOME SERVICES**

There are a variety of services and programs that can be brought into the home to assist in keeping people safe and helping them to be more independent. Listed below are some of the more common services used. Other service and program information can be obtained from the ADRC.

#### **Emergency Medical Alert Systems**

When emergency help is needed, the user can press the transmitter's "help" button, sending a radio signal to the console (connected to the user's telephone). This causes the console to automatically dial one or more pre-selected emergency telephone numbers. The transmitter can

be worn around the wrist, neck, or attached to a belt loop. Some systems have the ability to sense when a person has fallen, and automatically calls for emergency help. There is a set-up fee and monthly charge. **In addition to the list below, some retail businesses sell similar response systems as well.**

### **Farmer's Market Coupons:**

The Senior Farmers' Market Nutrition Program is geared for individuals who are over the age of 60. This program promotes seniors eating healthy by providing coupons to purchase fresh fruits and vegetables at the local farmer's markets. The seniors receive \$25 in coupons that

can be used at farmer’s markets throughout the state. Contact the Aging and Disability Resource Center at 608-723-6113 for more information.

## **HOUSING OPTIONS**

For up-to-date and accurate information on types of housing and locations, please call the Aging and Disability Resource Center at 608-723-6113.

**Apartments**—Apartment living could eliminate yard care, home maintenance and possibly climbing stairs depending on the various locations. Apartment living can also increase social contact as well as reduce housing costs. Grant County offers a variety of rental housing for all income levels.

### **Public Housing and Housing Choice Voucher (Section 8 Program).....800-955-2232**

*The U.S. Department of Housing and Urban Development (HUD) administers Federal aid to local housing agencies (HAs) that manage the housing for low-income residents at rents they can afford.*
