

REQUEST FOR PROPOSALS

Architectural and Engineering Services

**For Proposed New Sheriff's Dept. / Jail, Social Services, and Aging
and Disability Resource Center Buildings**

Grant County, WI

February 16, 2016

INTRODUCTION

Grant County is interested in obtaining the services of an architectural / engineering firm for design and engineering services for a proposed new Sheriff's Department and Jail, Social Services, and ADRC (Aging and Disability Resource Center) adjacent to the current Orchard Manor complex located at 8800 US-61, Lancaster, Wisconsin. It is anticipated that the SD / Jail would be an 85 bed detention facility, Sheriff Offices, Emergency Management Office and EOC Center approximately 46,000 Sq Ft. The Social Services building would be approximately 12,000 Sq Ft, and the ADRC would be approximately 9,000 Sq Ft.

The county will be receiving proposals from development firms for the Social Services and ADRC portions of this concurrently with the proposals received from the RFP for a competitive comparison. Please make sure to separate the fees for these services as outlined in the fee section of this RFP.

The Grant County Board has not yet approved funds for any phase of the project. Approval by the Grant County Board to proceed on the design phase of this project may be requested once architectural and engineering service costs are available.

PURPOSE

To determine costs of architectural and engineering services for each phase of the design process

To provide for a fair and objective evaluation of proposals received from design firms.

To collect information necessary for the evaluation of competitive proposals submitted by qualified architectural and engineering firms.

To select a professional architectural and engineering firm acceptable to Grant County to provide architectural and engineering services for the new SD / Jail, Social Services, and ADRC.

To result in a contract between an architectural and engineering firm and Grant County that will deliver high quality architectural and engineering services that meet or exceed all applicable codes and standards. The successful architectural and engineering firm will perform the services described herein as an independent contractor. Contract to be utilized will be AIA B132-2009 with modifications established by the County.

ACCEPTANCE OF PROPOSALS

All attachments, additional pages, addenda or explanations supplied by the architectural and engineering firm with this proposal will be considered as part of the proposal response. If the Committee chooses, architectural and engineering firms submitting proposals may be scheduled for an interview with the Committee at a future date and time to be determined by the Committee. If an oral presentation/interview is required of selected finalists, it shall be at the respondent's expense. An award may be made without discussion with the respondents. Therefore, respondents are cautioned that proposals should be submitted initially on the most favorable terms, from both a technical and cost standpoint.

The County reserves the right to reject in whole or in part any and all proposals, to waive any informalities, to request resubmission of proposals, and to accept the proposal determined to be in the best interest of the County. This RFP seeks professional services, and statutory bidding laws do not apply. Proposals will be evaluated pursuant to the following criteria:

- The extent that the proposal meets the needs of the County.
- Demonstrated competence to meet quality requirements.
- Proven experience of the proposer to provide similar services within established guidelines.
- Ability to meet scheduled deadlines.
- Cost of services compared to quantity and quality of services provided.

Tentative Selection Schedule if committee action requires interviews of design firms:

Interviews with a short list of firms - The week of March 14th 2016.

County Board Meeting – March 22ND, 2016
