

PSYCHIATRIC MENTAL HEALTH NURSE PRACTITIONER

Unified Community Services (UCS) has a full-time Psychiatric Mental Health Nurse Practitioner position available to provide services in our state-certified outpatient mental health clinics in Lancaster and/or Dodgeville, located in beautiful Southwest Wisconsin. Hours are 8:00 a.m. to 4:30 p.m. weekdays with no on-call. A competitive compensation package is available, including Wisconsin Retirement System, health, life and disability insurance, and paid time off. UCS is an approved NHSC service site where a nurse practitioner may fulfill service requirements for the NHSC Loan Repayment Program. Clinical team functions in a supportive environment with clinical collaboration.

Nurse practitioner will provide direct service to mentally ill individuals across the lifespan. Responsibilities include, but are not limited to:

- Complete comprehensive psychiatric/mental health assessment; determine diagnosis;
- Assess physical condition, order tests as indicated, and select appropriate treatment;
- Prescribe medication, and provide ongoing medication management; and
- Complete documentation in a timely manner.

Requires certification or eligibility for certification to practice as an Advanced Practice Nurse Prescriber in Wisconsin; Board certification as Psychiatric Mental Health Nurse Practitioner; DEA registration; and completion of caregiver background check.
