Public/Municipal Pools are also a great way to cool down. Pools may charge a small entrance fee and may offer season passes.

Pools can be found in Boscobel, Cassville, Fennimore, Lancaster, Montfort, Muscoda, and Platteville.

Remember to check Grant County Emergency Management's Facebook page for emergent weather updates and information!

Cooling Centers may only open when the National Weather Service in La Crosse WI issues a heat advisory. Be sure to call in advance.

Many other public places can serve as a place to cool off.

If your organization should be or would like to be on this list, please contact the Grant County Health Dept at 608.723.6416
