**GRANT COUNTY INVITES YOU
FOR THE PERFECT VACATION...
ANYTIME!**

Historic sites and communities. The wide and scenic Lower Wisconsin River. The mighty Upper Mississippi River. "The land that glaciers forgot" with high plateaus, deep creek valleys and scenic byways. Rural Americana. These special places and qualities are Grant County—the start of adventure, discovery and escape—the start of your Wisconsin visit.

Grant County is a sportsmen's paradise, noted for its hunting and cold-water trout fishing streams. Recreational opportunities are endless. Besides hunting, there are campgrounds, hiking and biking trails, boat launching facilities, horseback riding, parks, snowmobiling and water sports of all kinds. Stop in our communities and see homes and buildings from their original settlements that include over 50 national historical registered buildings, sites and structures in more than 20 communities throughout Grant County.

The population, according to the 2022 census, as adjusted is 51,171. It is located in the driftless region. The County has 52 voting municipalities. It is governed by a County Board of Supervisors. There are 17 Supervisors elected from 17 districts on a population basis.

Grant County received its name in 1810 from a white Indian trader named Grant, who visited the area regularly. Lead strikes attracted the first settlers as early as 1825. When mining began to decline, the settlers discovered there were wealth in the rich virgin soil and turned to farming. It is still the chief source of income.

Monuments in the courtyard include the Soldier's Monument – one of the oldest memorials in the nation to the Civil War dead. It was built by public and private funds and dedicated July 4, 1867. The Fountain on the west side of the courtyard, was purchased by the Ladies of the G.A.R. and given to the county in 1906. The bronze monument of Nelson Dewey on the east side of the courtyard, was given by the state as a tribute of Wisconsin's first governor. Dewey was also the first Register of Deeds for Grant County. He died in Cassville and is buried in Westwood Cemetery, next to the Episcopal Church in Lancaster. His grave is marked by an official State marker dedicated October 1, 1961.

Lancaster, the county seat, is the home of the courthouse which was built in 1902 and in 1999 the Courthouse addition was built. The Courthouse is still among the finest in the state. The Highway Department is located at the north edge of the city limits in a building completed in 1939.

Register of Deeds, County Treasurer, County Clerk, Veterans, Finance Offices, Health Department, Facilities and Maintenance Manager, Information Technology, Board Chair and Personnel Offices are located in the Grant County Administration Building built on the corner of South Jefferson Street and West Maple Street in Lancaster on the Courthouse square.

The new Community Services Building, housing the Sheriff's Office, Coroner Office, Social Services, Emergency Management and Aging and Disability Resource Center was completed in 2019. CSB is located on the County Farm property at the south intersection of Highways 129/35/61 & 81. Offices began to move in May 2019 and the process continued until dispatch moved in November 2021.

Orchard Manor, the county nursing home three miles southeast of Lancaster, was built in 1993. The Grant County Fairgrounds was acquired in 1959. The annual Grant County Fair is a county enterprise.
