

Solicitation of Interest

Grant County Bridge Replacement Projects

Grant County is in the process of soliciting design engineering services for 8 bridge replacement projects that were recently approved by WisDOT in the FFY 2023-2026 and the FFY 2024 - 2026 BIL Local Bridge Assistance Program.

Grant County will select consultants based on the qualifications of the firm, the responses given to this notification and input from the townships where the structures are located. These will be three party design engineering contracts with WisDOT, the Township and the Design Consultant. Only those firms currently listed on WisDOT's Roster of Eligible Engineering Consultants will be considered for selection.
