

***Web Soil Survey***  
***Soil maps in three basic steps!***

***Start Web Soil Survey (WSS)***

***Step 1: Define your Area of Interest (AOI)***

Navigate to your address or county. View and zoom to the area you are interested in. [Use the toolbar icon “AOI”](#) to select your acreage with a polygon or rectangle tool.

***Step 2: View and print your soil map***

Click on the “Soil Map” tab, click view to look at the soil map, then file and print.

***Step 3: Explore your soil information***

Click on the “Soil Data Explorer” tab to view all the available options of soil information.
