2021 COUNTY HIGHWAY IMPROVEMENT PROJECT
CTH A
STH 129 – STH 80 ROAD
(FAIRVIEW ROAD – DAILEY ROAD)
GRANT COUNTY, WISCONSIN

The Grant County Highway Commission is planning on reconstructing approximately 2.2 miles of CTH A between Fairview Road and Dailey Road in Lima Township. The new roadway will utilize a rural cross section with two 12-foot asphalt lanes and 6-foot gravel shoulders. Acquisition of approximately 14 acres of additional right-of-way will be required in order to construct the roadway and to meet the current design standards as required by the State of Wisconsin. In addition, CTH A will be closed to thru traffic during construction operations.

The project is slated for the 2021 construction season using Wisconsin Department of Transportation Local Road Improvement and Grant County funds with the Grant County Highway Commission handling construction management.
