

GRANT COUNTY LAW ENFORCEMENT COMMITTEE MEETING
GRANT COUNTY LAW ENFORCEMENT CENTER
Lancaster, WI 53813
March 18, 2013

The Grant County Law Enforcement Committee was called to order at 2:17 p.m. by Chairman Bob Scallon. The following members and personnel were present:

LAW ENFORCEMENT COMMITTEE: Pat Schroeder, Vincent Loeffelholz, John Patcle, John Beinborn, Lester Jantzen, and Larry Wolf.

GUESTS: Sheriff Nate Dreckman, Chief Deputy Jack Johnson, and Kelly Bird, Recording Secretary.

Kelly Bird verified the agenda had been posted at the County Clerk's office and Courthouse by Linda Gebhard. Kelly posted the agenda in the Sheriff's Department lobby. Lester second by John B. approved the agenda as mailed. Pat second by Vince approved the minutes from the previous meeting. The bills were approved in motions by Lester and seconded by Pat. All above motions carried.

No Coroner's Report for this month.

Under Sheriff's Briefing, Sheriff Dreckman handed out the monthly activity report. The Jail population has decreased with no inmates being housed out of county. There was a fatal accident since the last meeting. Contributing factors were road conditions and equipment. This is the first fatal accident for 2013.

Under Training, Sheriff Dreckman will not be going to the National Sheriff's Association Conference in Colorado because of it being cancelled. Sheriff Dreckman will reapply for the September Conference.

Under Grants Sheriff Dreckman notified the committee of a \$23,000.00 grant available through the National Sheriff's Association to be used for seatbelt enforcement and education. There is no match for this grant. It was motioned by John B. and seconded by Lester to apply for the grant. Motion carried. The grant will go to the Full County Board for final approval.

Chief Deputy Johnson notified the committee of a AAA Grant available in the amount of \$3,825.00 with no match to be used for patrol equipment. It was motioned by Pat and seconded by Larry to apply for the grant. Motion carried.

There is no New Business at this time.

Under Old Business, Sheriff Dreckman updated the committee on the Crown Victoria that has been outfitted with a propane conversion kit. The department has been pleased with the

performance of the car so far. The Deputy assigned to the car is a resident of Lancaster. The squad car will be on display next month for the committee to look at.

The construction of the new jail doors will begin the first part of April

Chief Deputy Johnson had someone come and look at the Law Enforcement Center and the generator that is currently in place. The recommendation was a 300 kilowatt unit. The current one being used is 60 kilowatt and was installed in 1957. Chief Deputy Johnson will hopefully have bids for the cost of a new generator next month.
