Carnival was up yesterday. Contract with Calkin's Midways for 2016 and 2017 was discussed. Motion made by Pat Schroeder, seconded by Dan Timmerman to have Calkin's Midways as our carnival for 2016 and 2017. Motion carried.

Chuck Waterman informed us that next year he is bringing an old ride that his family used when they started the carnival business. Discussion was to base our theme next year around this.

Jack Johnson reported no problem other than a couple of dogs on the grounds.

Deb Reukauf reported an arrest that took place on grounds. It had nothing to do with the fair.

Jackie Edge reported that everything at this point has run really smooth. We will revisit the waivers that are getting signed and are not getting signed by volunteer fire and ems workers.

Steve Braun was concerned with Demo and Night of Destruction spectators on the track. The bleachers were moved back farther this year.

Kory Stalsberg, Dairy and Livestock Agent went through the load out schedule.

Suggestions for next year fair were to offer a NA Beer and also to look into an ATM on grounds by the office.

Motion by Mark Stead, seconded by Dan Timmerman to adjourn to September 28, 2015. Motion carried

Respectfully submitted,

Grant Loy
