**New Business:** Dave Lambert received a phone call from the Administrator of Potosi High School in regards to some property that is owned by the Village of Tennyson across the street from the High School. A painted crosswalk has been requested for people parking on the property across the street that are attending school and school events. Dave suggested that the Village of Tennyson President put the request in writing and send it to him. He has not received the written request yet but will notify the committee when he does.

**Old Business:** There is no Old Business to discuss.

**Citizen Complaints:** A resident who resides at the intersection of Hwy 36/61 at the old Dugout Hill is concerned about the traffic and speed limit in this area. Captain Rick Place stated there have been 15 accidents at this intersection from the year 2015 to present. A speed reduction may make it difficult for trucks that are driving uphill. The three lane traffic is also a concern. Signage with some lights may be an option. Captain Place will contact the complainant to notify him of the discussion.

The county statistics were viewed and discussed.
